2011 Junior Golf Camps/Adult Group Lessons **Mollie Thola, LPGA Head Professional**

Beginners: for kids who have never had a club in his/her hands before, learn grip, set-up, stance and swing

Intermediate: these players are not beginners, but are not quite ready to “play” yet. They need a little more instruction, learn basic etiquette, and a few rules and the start of learning to play.

Junior Novice: players who are in this program are ready to start playing but are not ready to be on their own yet. They are in the upper Intermediate status and will be taught game strategy, etiquette, pace of play and rules.

Novice: this program is for kids who are ready to start playing. I stress good solid fundamentals in the spring (April-June) so when July hits, they’re ready to play. 2 field trips are planned during the summer for this group to play 2 different “big courses” which will be an additional charge for the greens fee for that day. The kids are on their own when out playing but will be monitored by myself or my staff as they play, stressing speed of play, rules and etiquette.
